EMPHASIS WITH FUTURE

# ABOUT US

Established in 2020 and drawing upon extensive hands-on experience in the HVAC [Heating, Ventilation and Air Conditioning] & refrigeration industry, V SOLUTIONS stands as a team of adept engineers. We are your all-encompassing solution provider for HVAC, Refrigeration and renovation services. Our spectrum of expertise covers Design consultancy, Design review and validation, Engineering, Project execution, project management, after-sales services, Operation and maintenance, and more. We have consistently met and exceeded our customers' needs since our inception.

## OUR VISION

We envision a future where every interaction is a testament to our dedication to customer-centricity. Through the delivery of bespoke products and services, we craft solutions that meet their requirements and surpass their highest expectations. We are poised to redefine the benchmarks of quality and service in the HVAC & R industry.

## OUR MISSION

To deliver high-quality services that meet and exceed customer expectations.

To maintain a competitive edge by consistently developing and implementing innovative HVAC & R solutions.

To outperform industry standards by setting new benchmarks for quality, efficiency, and customer satisfaction.

To attract, inspire, develop, and retain a workforce that embodies the dynamic nature of the business.

# WHO WE ARE?

At V SOLUTIONS, we align with customer needs in response to the ever-evolving market dynamics. One of our fundamental principles revolves around prioritizing Environment, Health & Safety (EHS) as a core value. To ensure this commitment, we provide comprehensive training to our engineers, empowering them with the knowledge and skills needed to uphold these crucial standards.

## WHY US?

# KEY BENEFITS OF OUR HVAC AMC

*Our HVAC & R Annual Maintenance Contract (AMC) is designed to ensure you have constant, on-site support from our experts.*

## COMPREHENSIVE & NON-COMPREHENSIVE SOLUTIONS

Comprehensive AMC packages encompass materials and comprehensive maintenance services for your equipment. This all-inclusive option ensures peace of mind with genuine parts and worry-free repairs. Non-comprehensive AMC plans offer maintenance services without materials. While labor and support are covered, any necessary components are billed separately, providing a more cost-effective solution tailored to your budget and requirements.

### RAPID EXPERT ACCESSIBILITY

We boast an extensive service network and maintain a strong company presence, guaranteeing swift access to our skilled technicians. You are just a call away in any situation.

### WEALTH OF KNOWLEDGE AT YOUR FINGERTIPS

Our comprehensive knowledge base, coupled with expert support, ensures that you have readily available assistance for any mechanical or HVAC&R issues. We are your trusted partner!

### SWIFT REPAIRS WITH READILY AVAILABLE SPARES

In the event of a repair or fix, off-the-shelf spares are on hand for immediate use. We can swiftly address any issues, minimizing downtime and ensuring your system is back up and running.
